INFORMATION

A doctor of podiatric medicine may be eligible for exemption from payment of license renewal fees, if the doctor of podiatric medicine complies with all five of the listed requirements.

This application form must be signed and returned at the beginning of the renewal period for which a status change is requested. This application must be received before the license expiration date in order to avoid delinquent fees.

Following approval of this request for exemption status, a doctor of podiatric medicine will continue to receive biennial renewal notices (required by law) even though he or she is exempt from payment of renewal fees. All future renewal notices should be returned as instructed with "retired status" clearly marked on the renewal card.

NOTE: Retired status does not result in automatic waiver of the continuing competence and continuing medical education requirements. A separate waiver request form is attached in the event that you wish to be exempt from the continuing medical education and competence requirements as well.

**PLEASE SIGN AND RETURN THE COMPLETED APPLICATION TO THE BOARD OF PODIATRIC
MEDICINE, 1420 HOWE AVENUE, SUITE 8, SACRAMENTO, CALIFORNIA, 95825-3229**

The information provided will be used to determine qualification for waiver of the renewal fee per Section 2439 of the Business and Professions Code which authorizes the collection of this information.
